

FREE EVANGELISM SEMINAR

Conversations that Count

Kaysville Bible Church, Kaysville
November 18 (9am-1pm)

If we asked Jesus, “How would you talk to my LDS friend?” He would reply, “Instead of wondering what I might say, study what I did say. There you’ll find the answer.” The people of Jesus’s day were similar to Mormons in many ways. Our goal is to study how Jesus directed those people to God’s truth and train ourselves to do likewise.
